

NEBOSH Enquiries About Results

The British Safety Council supports the right of students studying NEBOSH courses to enquire about a result, to appeal against the outcome of that enquiry and it follows the NEBOSH procedures to ensure that such enquiries and appeals are dealt with in a thorough and equitable manner.

Procedure

1 If a student believes that their result does not match their reasonable expectations, they will be advised that an Enquiry About Result (EAR) must be made to NEBOSH in writing within **20 working days** of the date of issue of the result to which their query relates.
